BRING A FRIEND FREE SCHOLARSHIP

If you sign up for camp by April 1st, you can invite a friend that was not an overnight camper last year to join you for FREE! You heard that right; we will have 60 "bring a friend scholarships" available this summer for overnight youth camp. Sign up early to reserve a bunk in your first choice week.

TIERED PRICING - WHY 3 PRICES?

Realizing that everyone has a different ability to pay, Sequanota has instituted a voluntary three-tier fee program. You may choose the tier that is most suitable for your situation. It is really a free system; you tell us what is affordable for you and your family. All participants receive the same camp experience no matter what they pay! For those who cannot afford Tier I, additional financial assistance is available to ensure that all children, youth and adults have the wonderful opportunity to attend camp.

Tier I is our historically subsidized rate and does not reflect the true cost of operating summer camp programs.

Tier II is our partially subsidized fee for those who can pay a little more but still cannot afford the actual cost of camp.

Tier III more closely accounts for the true cost of camp.

Need Financial Aid?

Please contact your church or our office. Our goal is to enable every child and family to attend camp, regardless of ability to pay.

As a parent, you want the best for your children. We want the best for your children too! We provide experiences that are fun, safe, and prepare them for adulthood.

An outside research firm studied camper outcomes from over 92 summer camps and 5,000 families. The research firm found that "parents, campers, and even the camp staff independently reported **growth in self confidence, independence, making new friends, exploring and learning new activities and a connection to God.**" (American Camp Association)

Camp makes a huge impact on children and youth as they grow up. The value of camp is this: In one experience your child will put away their screen, get outside, build relationships with others, try new things, grow in their trust in God, AND have fun! We would be honored to help your camper(s) grow this summer!
