

SUMMER CAMP OVERNIGHT HANDBOOK

Sequanota

Lutheran Conference Center and Camp

Get Ready for Summer Camp!

THANKS FOR REGISTERING FOR CAMP

We are busy preparing for your arrival - training staff, working on the facilities, and putting the finishing touches on the summer programs. We are excited to hear that you will be joining us for camp this summer!

This handbook will help answer some questions about your week at camp. If you have any additional questions, please contact the camp office by phone (814) 629-6627 or email contact@sequanota.com.

God is good and has created a beautiful world for us to live in. Christ loves us unconditionally, welcomes everyone regardless of our unique identities, forgives us when we stray, and gives us all the gifts and abilities we need to show love to others. Throughout the week, campers will learn that God's love is good, loving, welcoming, forgiving, and generous.

Sequanota offers a holy place to connect with Christ, creation, and community.

COVID-19 PREVENTION STRATEGIES

PRIOR TO ARRIVAL AT SITE

- Any camper, volunteer or staff, who are not feeling well or have any of the symptoms for COVID-19 (fever, dry cough, shortness of breath, chills, fatigue, recent loss of taste and/or smell) are to remain at home. After negative test results are received, Sequanota will work with families to reschedule campers for a week of camp.

FINAL PAYMENTS

Your balance should be paid-in-full two weeks before arrival. If the church is paying a portion of the registration fee, please make sure the portion you are responsible for is paid.

CABIN MATE REQUESTS Every effort will be made to honor cabin mate requests. Campers are assigned to cabins and family groups based on age in the best interest of the camper and the overall camp community. If there are any questions, please contact us for more details.

ARRIVAL & CHECK-IN INFORMATION

Full-week & half-week check-in

Main Camp Dining Hall

Sundays from 2:30 - 4:30 PM

Sampler Camp check-in

Main Camp Dining Hall

Monday from 9:00 - 9:30 AM

Camp Bethesda check-in

Bowersox Center

Sunday from 2:30 - 4:30 PM

Please bring the following items with you to check-in. The rest of your belongings can stay in the car until you've received the cabin assignment.

- any paperwork or payments not yet turned in. All camper paperwork will be confirmed and finalized.
- camp store money will be collected and a camp store card will be created.
- any medications needed during your camp stay. Each camper will visit with the camp health care team to update any medical information and turn in medication.

Once campers check in at their cabin and meet their cabin guide, they must remain with their cabin guide. Parents are welcome to help set up their campers bunks. For campers that may be nervous, a short set up with a cheery hug goodbye is usually best. Encouraging words like "I'm so excited for you, or "I love watching you try new things" are helpful. Cabin guides will then engage the campers in decorating their bunk, play yard games, or getting to know their cabin mates.

Departure Information - Camp Store - Communication

DEPARTURE & CHECK-OUT INFORMATION

On Fridays, closing and pick-up will be at Founders' fire circle/chapel.

Parents, grandparents and guardians are welcome to join us for a 45 minute worship service beginning at 5:45 p.m. at Founders' fire circle. Campers will be signed out to leave camp at 6:30 p.m. Family members are invited to bring lawn chairs to the service since seating will be limited.

Half-week camper pickup is on Wednesday. There will be a 30 minute campfire service at 6:00 p.m. near the Main Camp Dining Hall. Following campfire, camper sign out will happen with the cabin guide at the cabin at 6:30 p.m.

Sampler Camp pick up is on Tuesday at 7:00 PM following a 30 minute service at Founders' fire circle. Parents, grandparents and guardians are welcome to join us for a 30 minute closing program.

Prior to departure, it is very important that you

- Sign out your camper with their cabin guide.
- Collect all of your camper's belongings; it's a good idea to check the lost and found, the cabin clothes line, dining hall, and craft cabin.
- Pick up your camper's meds at the camp store.
- Check if there is a balance of store money at the camp store.

PHONE CALLS & VISITS

We welcome and encourage you to support your camper with notes from family and friends. Encouragement can come from letters mailed, letters dropped off at check-in or emails. Campers do not have access to telephones or email so please do not encourage campers to call or email home. If there is an emergency, staff will contact you immediately. The emergency number, available to you anytime is (814) 629-6627. Any cell phone brought by a camper will be kept in the office for safe keeping until the end of the week. There is also no visiting of campers allowed during their stay.

CAMP STORE

All campers have an opportunity to visit the camp store daily. At the camp store, campers may buy camp shirts, souvenirs, water bottles, snacks, drinks. Store money (cash or check) can be deposited for the camp store during camper check-in. It will be kept on account for the week of camp. We recommend \$20-30 for the week. \$3 per day is enough if not purchasing any souvenirs.

Refunds can be picked up at the camp store on Friday evening during check-out & pick-up. Any money that is not picked up will be put toward the designated summer camp charity. Ask any summer staff member for information on this summer's charity.

SENDING LOVE & CARE PACKAGES

If your camper has a birthday coming up while at camp, please notify the staff during check-in and we will celebrate at one of the meals. **Please do not send or allow campers to bring food.** This attracts insects and small animals to the cabin.

USPS MAIL

Campers love getting mail from parents and friends. Please be sure to send your mail by Wednesday at the latest or it may not arrive in time. Please address all mail as shown below.

Specialty Camp Specifics - Lost & Found - Health Care

SPECIFIC CAMP EXTRAS

SaLT — Campers will be at camp for two full weeks! That includes the weekend in between. There will be time for laundry on the weekend. You'll be in a cabin with younger campers the second week, so pack in a tote or something that can make switching cabins easier.

Theme Week — Look for an email two weeks prior to the camp week for the daily themes and costume suggestions. You do not need to pack something for every day; we have some supplies here.

If you have any questions, please contact us. Any personal equipment brought to camp is the responsibility of the camper. Sequanota is not responsible for lost or damaged items.

LOST & FOUND

We collect LOTS of lost and found items every week at camp. Please label your camper's belongings properly. There's nothing we like better than being able to return things to their owner! All lost items are kept until Labor Day, after which they are donated to a local charity. Feel free to go through the week's Lost and Found items box, located in the Dining Hall, during check-out if you suspect an item is lost.

HEALTH CARE INFORMATION

The health and safety of each camper and staff member is of the utmost importance to us at Sequanota. Campers will receive a health screening as part of the registration process.

State law requires that all medications be given to the Camp Nurse upon arrival (prescription and non-prescription). Our nurse team has found it very helpful to distribute medications that are already in bubble packs. Your local pharmacist will have more information on bubble packs.

All campers, volunteers, and staff must have a current health history form before coming to camp.

A rapid COVID-19 test can be completed at camp if recommended by the camp nurse.

MEDICATION POLICY

- All medications must be in original prescription container or bubble pack from the pharmacist. If you are sending over-the-counter medications, please provide written instructions from a physician. Unless we have these instructions, we can only administer medications as written in our Medical Treatment Procedures (approved by the camp doctor).
- The first full day's dosage of any new medication must be given at home.
- Parents are responsible for picking up medication or making shipping arrangements if forgotten.

Parent Medical Notification

Sequanota will notify parent/guardian of a camper injury or illness when:

- A fever lasts longer than 24 hours
- Flu symptoms last longer than 24 hours
- The Camp Nurse or Physician recommends that the camper be taken to the Emergency Room or his/her office
- Emergency medical treatment is needed
- A reoccurring medical condition or problem persists
