

Bonhoeffer Lenten Study:

For this year's Lenten Study, Pr. Nathan Pile and Pr. Kevin Shock will be using a curriculum written by a renowned Bonhoeffer researcher, Dr. Lori Brandt Hale. The curriculum is entitled, "Lessons from Dietrich Bonhoeffer in a House Divided and a World on Fire." The participant guide is linked below as a .pdf. Please download it or print it to use during our evening discussions. It is a little like a workbook, so you may want to print it. If you are unable to print it please contact the camp office.
