

WHAT IS TEND ALL ABOUT?

The Tend Festival is a community of people that gathers together with God to care for themselves and each other. The festival is all about living, learning, and loving together. The Tend Festival will help you tend and nurture your spirit for life as God's disciples.

Our lives are busy. Our culture feels like it is in chaos. Our future feels uncertain and anxious. Our hearts and spirits need some care. This year's festival will form a holy space for us. We have asked speakers and leaders to present on a variety of topics, including music, self-care, spiritual practices, the natural world, and art.

A TIME FOR RECREATION, REST, AND CONVERSATION

Living life in community means digging deeper into the challenges of our time, then engaging in dialogue with other passionate people to seek potential solutions and paths forward.

"I love to be creative and enjoy learning new crafts, especially when it involves nature."

"Hiking barefoot was nothing I ever considered doing and I loved the experience."

This extended weekend will include conversation, individual creative experiences, music, spiritual practices, self-care, recreation, natural stewardship, food, worship, fellowship, and time to just relax.
