Dear Community Partner,

Have you heard about the mental and social health crisis involving our children and young adults? There has been a lot of publicity around this topic recently. Young people are struggling with making friends, building self confidence and independence, as well as overcoming negative thoughts about themselves like “I can’t do anything right.” Recent mental health surveys have shown a doubling in young people with depression, anxiety and other mental health problems in the last ten years. Think about anything doubling - that’s a BIG deal!

Sequanota strives to be a place where children and young adults find a different experience. A *tech free community* where youth can engage their minds in *new and challenging activities* with *skilled mentors*.

This is what Sequanota does - every week of our summer. We hire caring adults to provide leadership and empathetic listening ears, who guide our campers in challenging activities like: canoeing, singing, team building activities, games, climbing walls, archery, arts and crafts, and swimming. All this is happening with no smartphones - giving our campers time to focus on building friendships with other kids. Kids need camp experiences!

Sequanota made a promise decades ago to make sure every kid that wanted to go to camp could. ***No camper is ever turned away because of financial need!*** We know this is a BIG promise. This is why we are asking you to partner with us through our annual Golf Benefit.

Your contribution to this event helps young people and promotes your business to the event’s golfers. Your organization will receive ***prominent recognition*** during the event. Tee/Hole Sponsors will be recognized along the golf course and in the event brochure. You are also invited to field a team(s) of four golfers to help elevate the work we do. The Golf Benefit is August 18th at Summit Country Club in Cresson, PA.

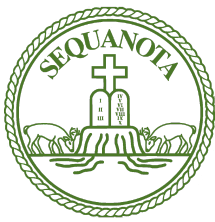

We believe that partnering with your organization will be a mutually beneficial endeavor that will also reflect our shared commitment to improving the lives of young people from our region. Your involvement will keep the promise that every camp who wants to go to camp can. If we can answer any questions or help you set up a sponsorship opportunity please feel free to contact the camp office at 814-629-6627.

Thank you for your time and consideration.

Warm regards,

Sequanota is a year round Christian camp and retreat center that provides a place for people to nurture their relationships with God, creation & each other. One way that we live out this ministry of Sequanota is by offering summer camp experiences for children and youth. The ministry seeks to help make camp affordable to children and their families by holding various benefit events annually. The Sequanota Golf Benefit is one event that helps send kids to camp every summer.

Your business or organization can help the Sequanota Golf Benefit make a difference in young people's lives by becoming a Tee or Hole Sponsor or registering a team of golfers. Tee/Hole sponsors will have a sign placed at their chosen location. The benefit is on August 18, 2025 at Summit Country Club in Cresson, PA.
