

Sequanota Golf Benefit Sponsor

Sequanota is a year-round Christian camp and retreat center dedicated to nurturing relationships with God, creation, and one another. One of the most meaningful ways we carry out this mission is through our summer camp programs for children and youth. Sequanota creates experiences that inspire faith, build confidence, spark lifelong friendships, and leave lasting memories.

At Sequanota, we believe every child should have the opportunity to experience camp, regardless of financial circumstances. Through annual benefit events, we work to keep camp affordable for children and their families. The Sequanota Golf Benefit plays an important role in helping send kids to camp each summer.

We invite your business or organization to partner with us by becoming a Tee or Hole Sponsor or by registering a team of golfers for this year's event. Sponsors will be recognized with signage placed at their selected location on the course.

Please complete this Sponsorship Form and return it to Sequanota with your donation. Thank you for considering a contribution that will impact a child's life in our community.

Sponsor Name: _____

Contact Person: _____
